Dear Ms. Seeman:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses aggregate year-to-date totals for contributions received from individuals which appear to be incorrect. Please be advised that federal regulations require aggregate year-to-date totals to include only those contributions which are received during the calendar year. In the event that the aggregate year-to-date total is correct, please note that federal regulations also require the disclosure of all contributions received from individuals who have contributed over \$200. 11 CFR §104.3(a)(4) Please amend your report to provide the correct aggregate year-to-date totals.

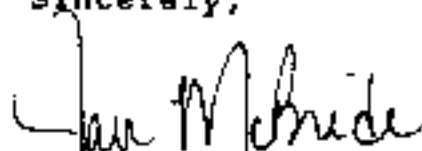

-Schedule A supporting Line 11(a)(i) discloses contributions received through a payroll deduction plan. Generally, a committee's report must identify each contribution from an individual which in the aggregate exceeds \$200 during the calendar year. (2 U.S.C. §434(b)) In lieu of separate itemization, a committee using a payroll deduction plan may disclose the aggregate amount of contributions received from the contributor through the payroll deduction plan during the reporting period; the identification of the individual where the contribution exceeds \$200 in the aggregate during the calendar year; and a statement of the amount deducted per pay period. 11 CFR §104.8(b)
